G'day Vince!

I just wanted to write and tell you what an amazing show you and Hand Me Silver performed here at Pompano Park on Jan 28, 2006.

You truly kept your promise in that this was your greatest show ever. The Circle of Fire finale in the infield was top notch and I still get goose bumps no matter how many times I have seen you and Hand Me Silver perform Hot To Trot on the racetrack.

It continues to amaze me that in your seventh straight year our attendance continues to increase and thus your show has become an annual tradition here at Pompano Park.

Other than our Isle of Capri Pacing Series Final, where we have more than \$300,000 in purses, a concert and a premium item giveaway, you draw nearly as many patrons to come out and see your show.

I just wanted to thank you again on another superb performance and can't wait to see what you have in store for Hot To Trot here next year!

Sincerely,

Dick Feinberg
